INTRODUCTION

The Churches Health Association of Zambia (CHAZ), formerly known as Churches Medical Association of Zambia (CMAZ) was created in 1970 as an umbrella organization to represent work done by Church health institutions in Zambia. CHAZ complements government efforts in the delivery of quality healthcare by bringing to the health sector human, material, financial resources, innovation, and more importantly, Christian love and care.

There are 135 affiliates representing 16 different churches both Catholic and protestant, with a majority of them based in rural areas of Zambia. The membership is comprised of hospitals, health centres, faith based organizations and community based programs. Altogether, these institutions are responsible for over 50% of formal health services in the rural areas of Zambia and about 30% of health care in the country as a whole.

The 16 constituent member churches that form CHAZ are:

- Zambia Episcopal Conference (ZEC)
- Council of Churches in Zambia (CCZ)
- Evangelical Fellowship of Zambia (EFZ)
- Brethren In Christ (BIC)
- Salvation Army
- Church of Christ
- Zambia Anglican Council
- Pilgrim Wesleyan Church
- Lutheran Church
- Northern Baptist
- Union Baptist
- Seventhday Adverntist (SDA)
- Reformed Church of Zambia
- Christian Mission in Many Lands (CMML)
- United Church in Zambia (UCZ)
- Evangelical Church in Zambia
